

## **Tip Top Tailors Benefit By New Bathurst Bridge**

Since the new Bathurst Street bridge opened, on Monday, June 22, the fitting department at Tip Top Tailors' plant on Boulevard Drive has received a greatly increased volume of business. Customers from North Toronto, the Beach and Runnymede indicate that residents of all districts of the city are taking advantage of the new car service to visit the Tip Top plant—the largest of its kind in the world—for personal fittings. In addition, the new service is proving a great convenience for the hundreds of Tip Top employees, who heretofore had to go a considerable distance out of their way when going to and from the plant.

## **Driver Severely Injured When Two Cars Crash**

Two automobiles were much damaged and the driver of one was taken to St. Joseph's Hospital suffering with head injuries and possible fracture of ribs, following a crash at Exhibition Park late yesterday afternoon. According to police, Andrew Moodie, 142 Westlake Avenue, the injured man, was driving south on Dufferin Street when the collision occurred. The other car was driven by Joseph Wall, 230 Heath Street, and was proceeding west on the north driveway.
