
PREPARING A LETTER TO THE PREMIER.

Yesterday afternoon an Executive meeting of the Toronto Suffrage Association was held at Dr. Margaret Gordon's. The chief business, beyond the usual routine matters, were the reading and discussion of an open letter to the Premier of Ontario. This letter, which will be published later, will deal with his reply to the referendum deputation. Miss Fairbanks of Nova Scotia, formerly of the "Poor Little Rich Girl" company, gave two appreciated recitations, and Mrs. Graham of Winnipeg contributed her quota of interesting suffrage material.

Mrs. Irving Simpson discussed the changes in industrial life caused by the introduction of machinery, which, instead of freeing the worker, has brought greater slavery. After Mrs. Hector Prenter had answered many questions, tea was served.
