Design Concept for Ontario Place 68.

① CREATION OF EXHIBITION BUILDING.

To suspend 5 exhibition pods from pylons set symbolically into Lake Ontario. precedents Giff tower - Oilrigg.

Due to heavy wave action too costly.
Went to Borrisland (Bahamas) for up 20 columns, waves calm behind muds as to island.

③ RECLAIMING SHORELINE FOR PEOPLE

① RECLAIMING SHORELINE FOR PEOPLE

The meeting of water and land brought to a poetic awareness

② CREATION OF URBAN PARK LAND.

The Idea of Green protection through Land fill
Leads to the addition of ISLANDS

that can be used as urban Parks or the
Villages for shops and restaurants, Canals
Performance places, Childrens play areas etc.
