

## Identification and Location

AjGu-44: Site Record - In Database

Site and Project Identification

[Instructions](#) > <#>

<#>

<#>

Information about your fieldwork project is displayed below.

This information is from the PIF associated with this visit to the site.

Provide information about the archaeological site you will be describing on this form, including its location.

**Borden Block:** provide the Borden block that the site is located in. Use the following format: XxXx.

If you require assistance identifying the Borden block for the site, email us at

[Archaeology@ontario.ca](mailto:Archaeology@ontario.ca) <[mailto: Archaeology@ontario.ca?subject=Need help identifying my Borden block](mailto:Archaeology@ontario.ca?subject=Need%20help%20identifying%20my%20Borden%20block)>

**Licensee's identification number:** provide any identification number that you have assigned to this site as used in field notes.

**Name:** provide any name by which the site is or has been known (the most common name in use). If none exists, you may assign a name of your choice to the site.

**Other names/identifiers:** provide any additional names or identifiers, including incorrect Borden numbers, by which the site is or has been known.

**Development project reference number:** provide the reference number assigned to the development application associated with your archaeological assessment project. This number is assigned by approval authority (e.g., municipal file number, T-number).

Borden Number:	AjGu-44
Site Form Status:	In Database
Site Form Completion Due Date:	<input type="text"/>
Borden Block:	AjGu
PIF # associated with this visit:	<input type="text"/>
Project Stage(PIF Stage):	<input type="text"/>
Licensee:	Michael Henry (P058)
Licence Number:	P058
Licensee's identification number:	<input type="text"/>
Name (e.g. Site Name):	Thunderbird Mound
Other names/identifiers:	<input type="text"/>
Development Project Reference No. (Reference number assigned by approval authority e.g., municipal file number, T-number):	<input type="text"/>

Location\*  
[Instructions](#) > <#>

<#> <#>

**To report the location of the site:** click the radio button next to the most appropriate location listed. The locations that appear have been carried over from the PIF associated with this visit to the site.

- check to ensure the location listed is accurate.
- if it requires correction, click 'Save' at the bottom of the screen. An 'Edit' button will appear.
- click 'Edit' to update or change the location listed.
- click 'Delete' to remove the location listed and add a new one.

Upper Tier/Single Tier	Lower Tier	Lot	Concession	County	Geo Township	Select One	
Toronto		3	5	York	York	<input type="radio"/>	

Coordinates  
[Instructions](#) > <#>

<#> <#>

**Coordinates:**

- provide the coordinates for the centre point of the site.
- provide coordinates by either Latitude and Longitude or Easting and Northing using NAD83.
- indicate whether or not the coordinates were taken using a GPS device and, if so, the accuracy of the reading in metres.
- provide the elvation of the site in metres above sea level. Approximate elevation may be determined from N.T.S. maps.

**'ShowMap':** click this to check your coordinates for accuracy on a map.

**Street address:** enter the street address for the property on which the site is located, if applicable.

**Location and access:** describe the site location so as to enable someone to find or re-locate the site:

- indicate the most convenient access route and means of travel.
- mention the relationships of local drainage and transportation networks to the site.
- supply accurate distances from permanent features on the landscape.
- tie this location description to features indicated on the sketch map that you will attach to this form.

Were the coordinates captured using a GPS?:\*  Yes  No

Please provide either Latitude and Longitude or Easting and Northing

Easting/Northing  Latitude/Longitude

UTM Zone:	17	Easting:	621182.3476	Northing:	4834852.348
Latitude:	43.656796	Longitude:	-79.4971545		

Northing (Please provide NAD83):*	Eg: Latitude 43.1579      Longitude -80.3468
-----------------------------------	--

[ShowMap > <#>](#)

Site Elevation (metres above sea level):*	
---	--

Street Address:	
-----------------	--

Location and Access:*	<p>Site LocationNotes: Approx. 30 m to the SW of the S end of Pasadena Gardens and within Magwood Park. Easting: 621170 Northing: 4834630 Lattitude: 433928</p>
-----------------------	---
