LIFE ASSOCIATION OF SCOTLAND.

LIFE ASSURANCE AND ANNUITIES.

ANNUAL REVENUE - - - - - - £193,000 Sterling.

Medical Officer—R. Palmer Howard, Esq., M.D.
Solicitors—Messrs. Torrance & Morris.
Secretary—James Grant.

THE Expense of Life Assurance has been reduced to the lowest scale, by the arrangements of Class A of the Association.

Each Policy-holder's Share of the Profit or Surplus (instead of being reserved for his heirs after his death) is handed to himself in money, or applied in payment of his next contribution or premium. He, thus, enjoys the profits during his own life, and in a manner that cannot be obtained from any office that distributes profits by additions to the sums assured, even though these additions be exchangeable for present payments.

The older Policy-holders of the Association have thus, for many years, been required to pay only 12s. 6d. (instead of 20s.) per £1 of their premiums—that is, only £5 5s. instead of £8 0s. instead of £100; and even the latest participating Policy-holders have already received 25 per cent of their annual premiums, being required to pay only 15s. per £1. (See Prospectus for full details of the System.)

The Policy-Holders have thus received and enjoyed during their own lives a sum (in cash) amounting to upwards of £170,000 sterling.

While the representatives of deceased Policy-holders have been paid sums assured amounting to £500,000 sterling.

The outlay for a Policy may be materially lessened also, until the time of participation in profits, by the Half-Credit System; under which only half the premiums for the first six years need be paid, the other half remaining unpaid (at interest) as long as the assured pleases.

The Policies now being issued are free from some important Restrictions imposed by other offices, and confer unusual privileges. They are thus peculiarly valuable as securities for money, family provisions, and for every other purpose.

Secretary.

BY J. D. POLLARD,

MEMBER OF THE

CONFEDERATE CONGRESS.

100

GOOD men wanted at once to canvass for this book. It is a work which will be read with deep interest by every Canadian, giving as it does a Southern view of the causes of the war. We have had over and over again the Northern side of the Rebellion, shown to us in its most favourable light. Now the public have a chance to look at the other side. The work has been obtained at great trouble and expense, and is gotten up in superior style, over 600 pages octavo, well illustrated.

TO THE ELECTORS OF THE BROCK DIVISION.

GENTLEMEN,—My acceptance of the office of Receiver General has vacated my seat as your representative in the Legislative Council, and a new election will consequently take place, at which I respectfully beg to offer myself as a candidate.
